Brethren,

Our Worshipful Master is really busy, so he asked me to fill this space up this month.

I guess I'd like to take a few minutes to say how grateful I am for the Lodge. We have another candidate for the degrees, and his initiation will be on April 16th at 7:00 PM. We have been having practices on Tuesday nights, and we are on track to putting on a very good degree.

Of course, you can't overlook the contribution of our Past Masters. Their continued involvement in the Lodge helps make it what it is. They have such a wealth of knowledge that they are willing to share with us and improve the craft.

Another thing I am really excited about is the fact that all of our officers chairs are full! Our younger members have filled the chairs and are really doing a great job of learning their craft. This will help to insure the continuation of our Lodge well into the future.

If you can make it, please stop by the Lodge to see what we've been up to! If you are local and need a ride, please email me at secretary@plattevalleylodge32.org and we'll see about getting you there! Also, remember there is a light meal before the meeting that you are welcome to attend.

Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in gold and silver will be disappointed. The wages of a Mason are in the dealings with one another; sympathy begets sympathy, kindness begets kindness, helpfulness begets helpfulness, and these are the wages of a Mason.

Benjamin Franklin

Happy Birthday from the Officers and Brethren of PV Lodge. May you have many more!

Coffee Trivia.

Last month, we figured out how much water it takes to grow enough beans to make a pound of coffee. But, how many beans does it take to make a pound of roasted coffee? According to the Espresso and coffee guide, 4,000!
